ABOUT FRDP

Fast Rural Development Program (FRDP) is a nonprofit and nongovernmental organization, registered under the societies Act XXI of 1860, working in the rural areas of Sindh, Pakistan.

The Program is aimed at facilitating the rural communities in a way that they can be empowered to secure their rights with command over the resources and capabilities to manage the process of sustainable development.

FRDP is involved with overall integrated rural development but its major focus is to promote Health & Hygiene, Relief support activities, improve Education, MNCH, Universal Primary Education (UPE) goal, Poverty Alleviation, Rights protection, Peace Building, Governance, Water and Sanitation and Capacity Building Sindh province.

VISION

FRDP envisions communities being literate, socio economically empowered, politically aware, healthy and just with their due rights having access to basic commodities and amenities of life.

MISSION STATEMENT

FRDP is committed and devoted to its mission wherein it flags the coordination amongst development energies by including qualified, young, energetic, motivated professionals for improvement of underprivileged community's life by uplifting them through sustainable development.

We are adhered to communities by ensuring optimum opportunities for the development in regards to their basic needs and rights as declared by UN and other agencies being gender sensitive so that their life can be upgraded and help them to exercise their rights freely by enjoying privileges.

FRDP
